Alexander J. Beeby

Alexander J. Beeby is a litigator who helps business owners and managers to resolve disputes regarding employment, bankruptcy and other areas of their business.

Alex focuses on complex bankruptcy matters, including adversary cases and Chapter 11 reorganization, and bankruptcy-related matters, including complex post-judgment collections, fraudulent transfers and receiverships. He also advises employers regarding wrongful discharge and discrimination issues and other labor and employment matters.

Representative Experience:

Bankruptcy and Corporate Litigation

- Successfully obtained a global resolution in an \$18 million matter, which included litigation in the Minnesota Bankruptcy and Federal District Courts and the Eighth Circuit Court of Appeals.
- Successfully defended client, in bankruptcy court and on appeal, against creditor's attempt to exclude debt from discharge.
- Successfully defended client in appeal of bankruptcy trustee's attempt to claw back money paid to client by a debtor pre-petition.
- Successfully represented creditor in post-judgment garnishment and fraudulent-transfer collection after original debtor liquidated.
- Represented and advised clients regarding various corporate fraudulent-transfer, derivative, contract, eviction, and other disputes in state and federal court.
- Successfully obtained an involuntary conversion from Chapter 13 to Chapter 7 to render debt owed to client as not discharged by the bankruptcy.

Bankruptcy and Receivership

- Represented Chapter 11 and Chapter 7 debtors.
- Represented creditors of Chapter 7, 11, and 13 debtors.
- Represented receivers of businesses during property-foreclosure redemption period.

Labor and Employment

- Advised and helped defend client against union's wrongful termination claim.
- Advised helped defend client against National Labor Relations Board union-recognition claim.
- Advised clients regarding federal, state, and local human rights issues in business and education.
- Advised clients regarding employment, labor, and education-related compliance issues.
