Thomas P. Stoltman

Thomas P. Stoltman advises clients on commercial real estate with particular emphasis on office, retail shopping center and senior housing projects. Tim provides counsel on office, retail and industrial leasing, mortgage financing, property acquisition and sales, and project development. His commercial leasing practice includes the drafting and negotiation of office and retail leases for more than two million square feet of space in the Twin Cities market. Tim is a frequent speaker at continuing legal education programs including Minnesota Continuing Legal Education.
